

## HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well. My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 6th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal. If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years experience is at your service.

Annette Kellerman, peerless champion of natatorial skill, grace and daring. Venus of the realm of Neptune, and world famous exponent of swimming, diving and aquatic accomplishments. The mention of the name of Annette Kellerman is an assurance of something that is extraordinary in amusement circles. Her greatest triumph in the space of her brilliant and remarkable career is in William Fox's Million Dollar Picture Beautiful, "A Daughter Of The Gods." In the annals of the creation of sumptuous, magnificent, costly and superb cinema spectacles, never has there been a more remarkable production. Lavish in scenic splendor, wonderful in aquatic accomplishment and overwhelming in its massive opulence and unrivalled beauty.

The very last word in spectacular, and scenic wonders. A tremendous sensation which had a run of 12 months in New York, 10 months in London, 8 months in Paris, and 6 months in Chicago. This superb attraction will appear in our own city on Thursday and Friday of next week, March 14 and 15.

## WOMEN SOLDIERS GOOD AS MEN, "VET" DECLARES.

(By International News Service.)  
Denver, Col., March 8.—That women make as good soldiers as men is the belief of Mrs. Mary A. Davis, eighty-two years old, of Denver. Mrs. Davis is a veteraness of the Civil War. She was a member of the Sixty-eighth Illinois Infantry for more than a year, posing as a man and taking part in a score of engagements against the Southern forces. Her identity was discovered when she fell on the battlefield fighting with Sherman's marchers to the sea.

Metcalfe's flowers are the finest ever grown and prices a little lower than you can buy the same stock elsewhere.
